

Gabrielle Kwarteng | Technical Rider

Technical Requirements

- 2 Technics SL 1200 MK2 or similar equipped with cartridges, slipmat, needles, etc.
- Pioneer DJM-900 Nexus/NX2, Pioneer DJM-750MK2 or rotary mixer
- 2 Nexus CDJs (NXS2-2000 / NXS-900 / XDJ-1000MK2)
- Monitor speaker, volume controllable by DJ mixer
- DJ booth/table between 85-100 cm high
- Minimum 120 cm of space between the DJ booth and back wall
- Extra table and a small light for a record bag

Setup

The turntables should be placed left and right directly next to the mixer.

Thank you!
